ABOUT

CTI Afrique is a company which has as goal to provide African solutions to African companies.

Our team is built by experienced engineers and we work on projects in the fields of mechanics, electricity and civil engineering.

Our headquarters is located in Niger (Niamey), but CTI Afrique provides its services to any company that asks for it, anywhere in Africa.

Creating custom solutions, completely suitable to the environment that face the companies in Africa is our leading goal.

With C-Parc, you will have a decision maker support:

- Gain a global vision on the profitability of your fleet
- Increase the use of your fleet
- Maneuver and balance your budget correctly

**USE EFFICIENTLY
YOUR BUDGET**

Simple, easy to use and direct, C-Parc, it's 6 functions.
